

FISHING THREAD
LTD.

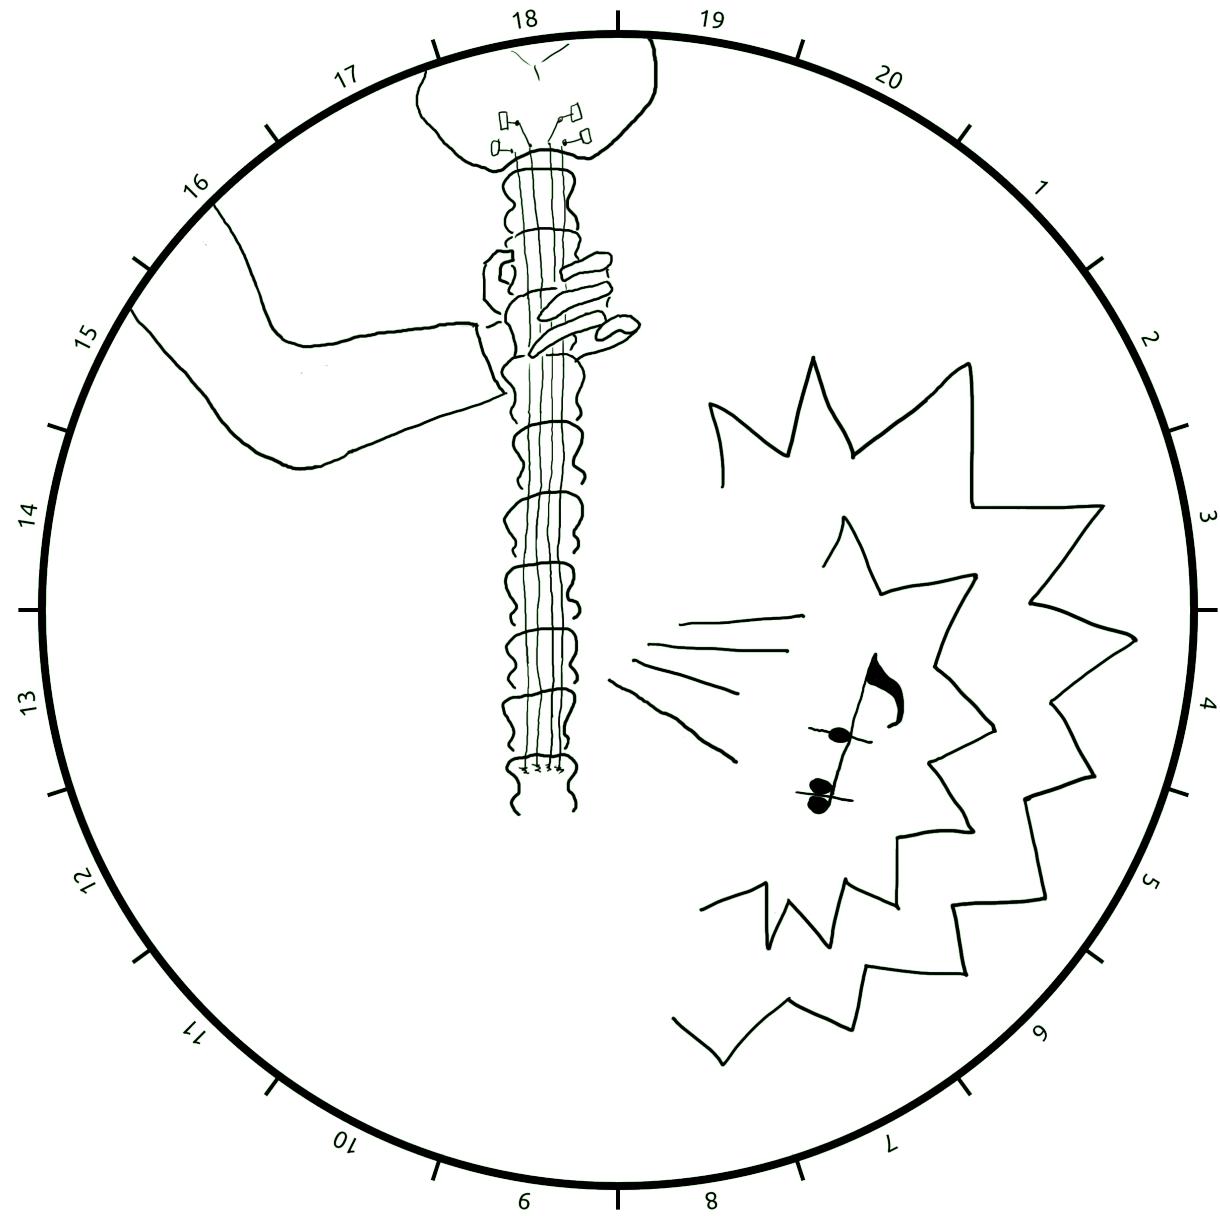

And when I saw
that, your honor, I
swore I would
never wear
clothes
again.

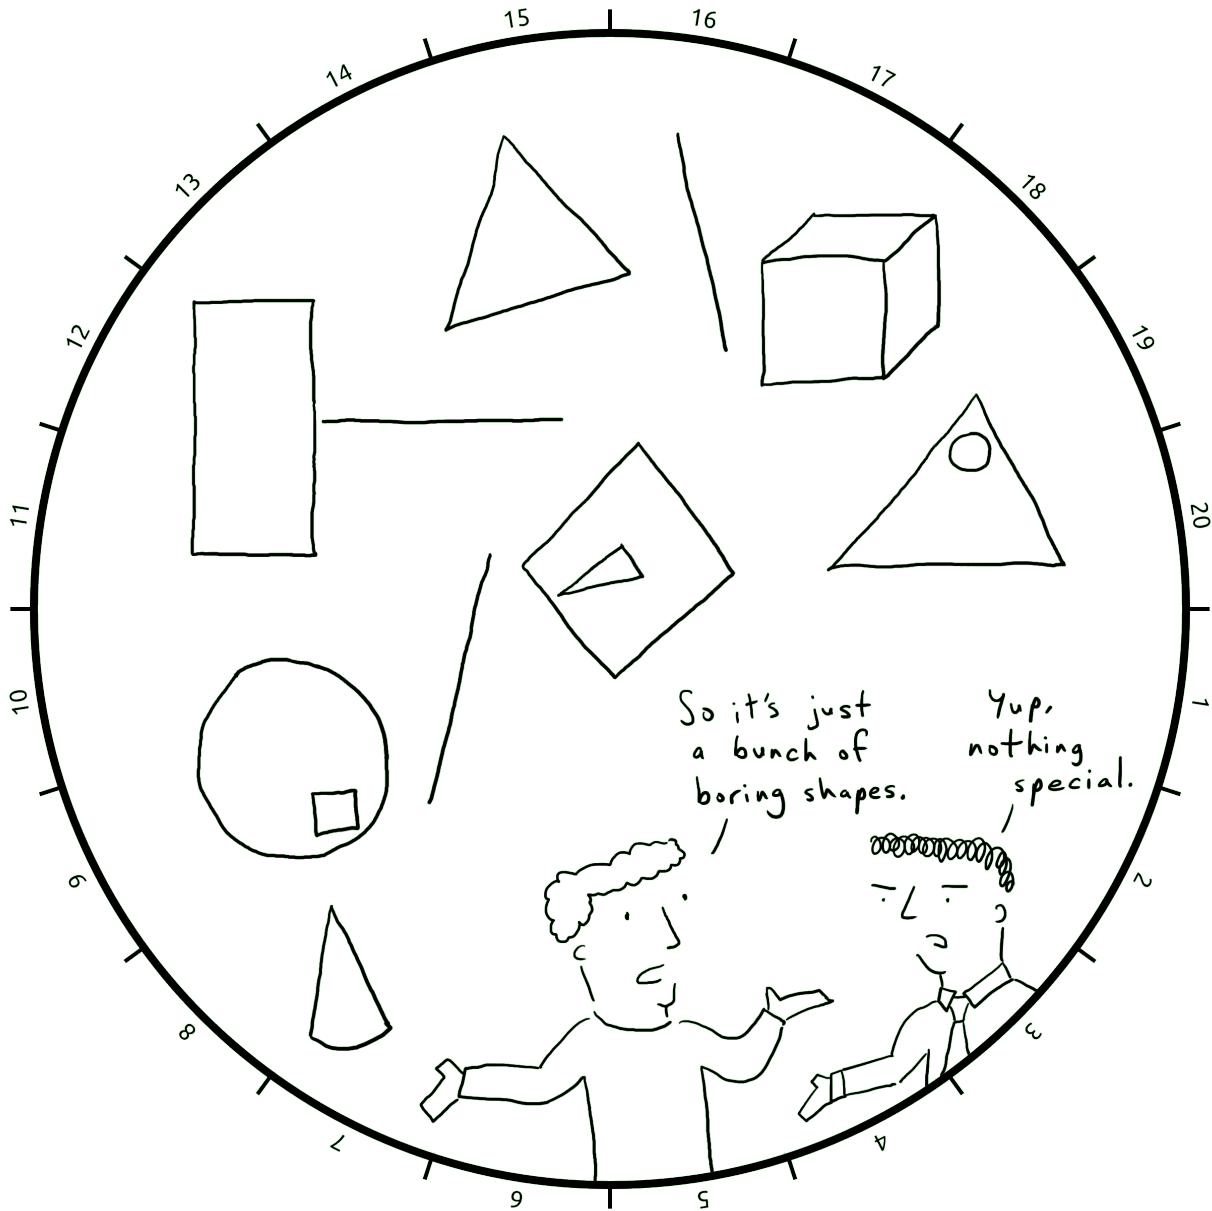

WTF?

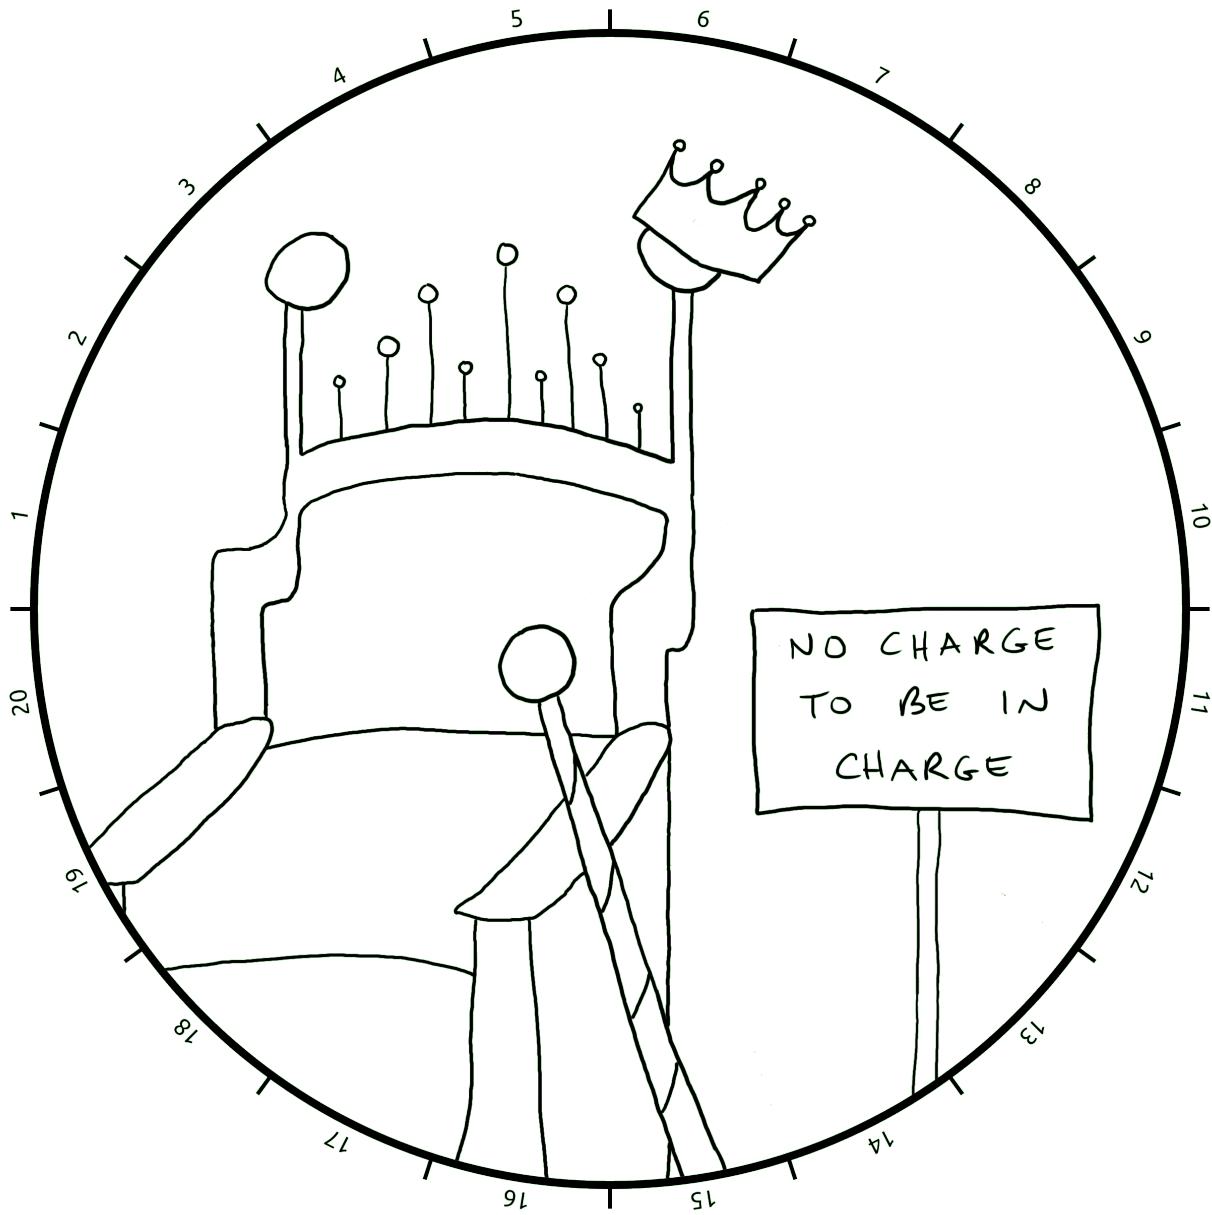

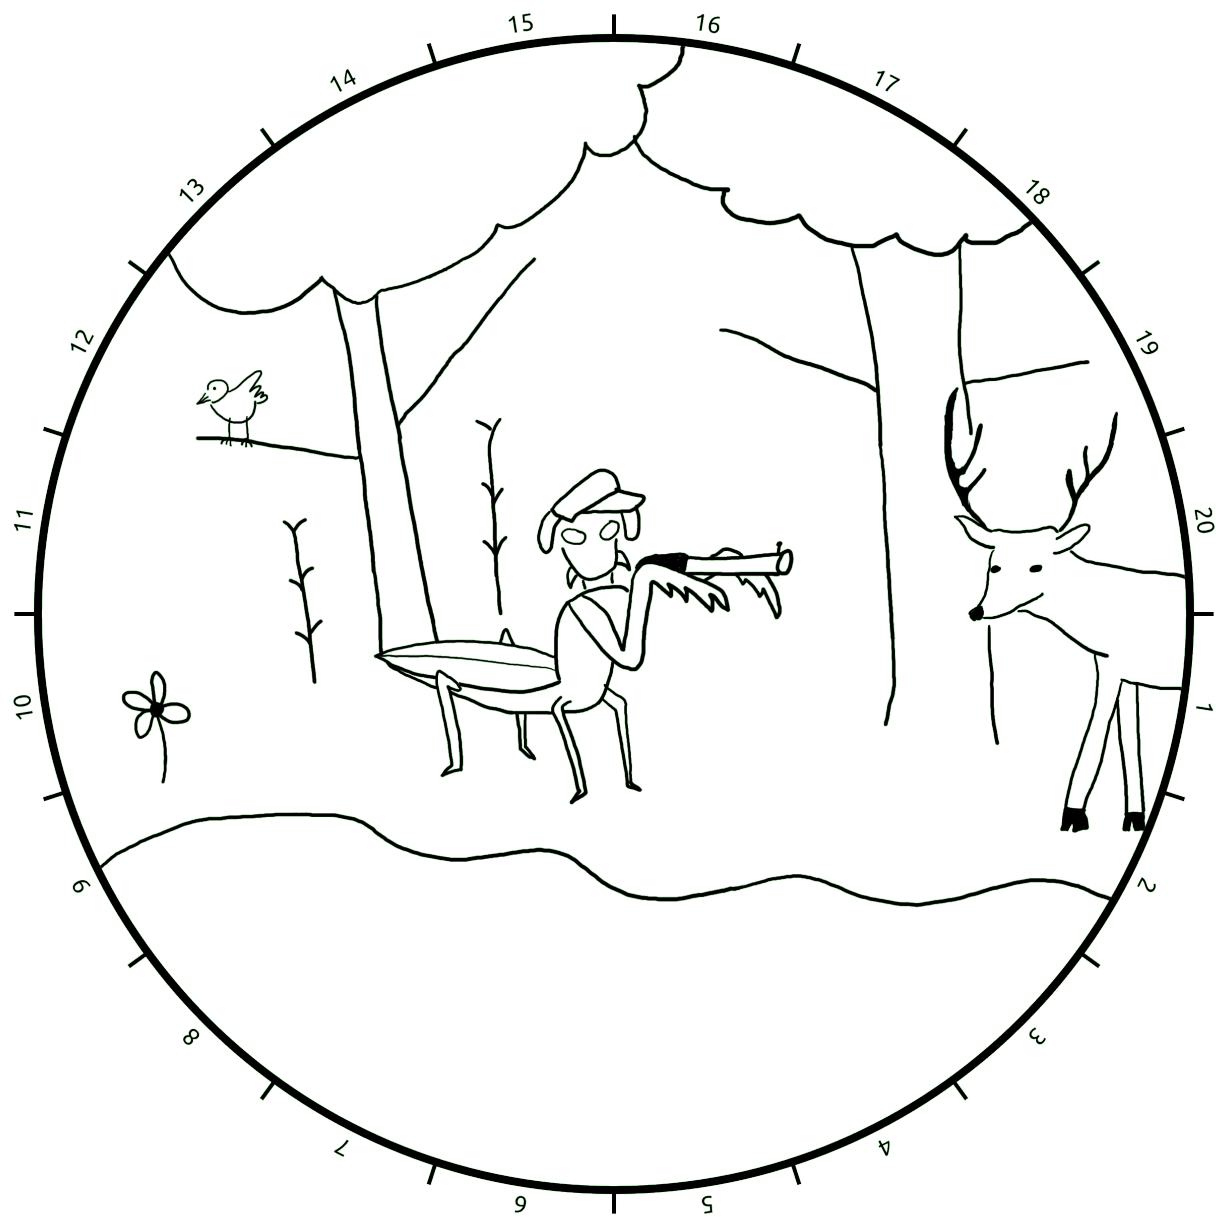

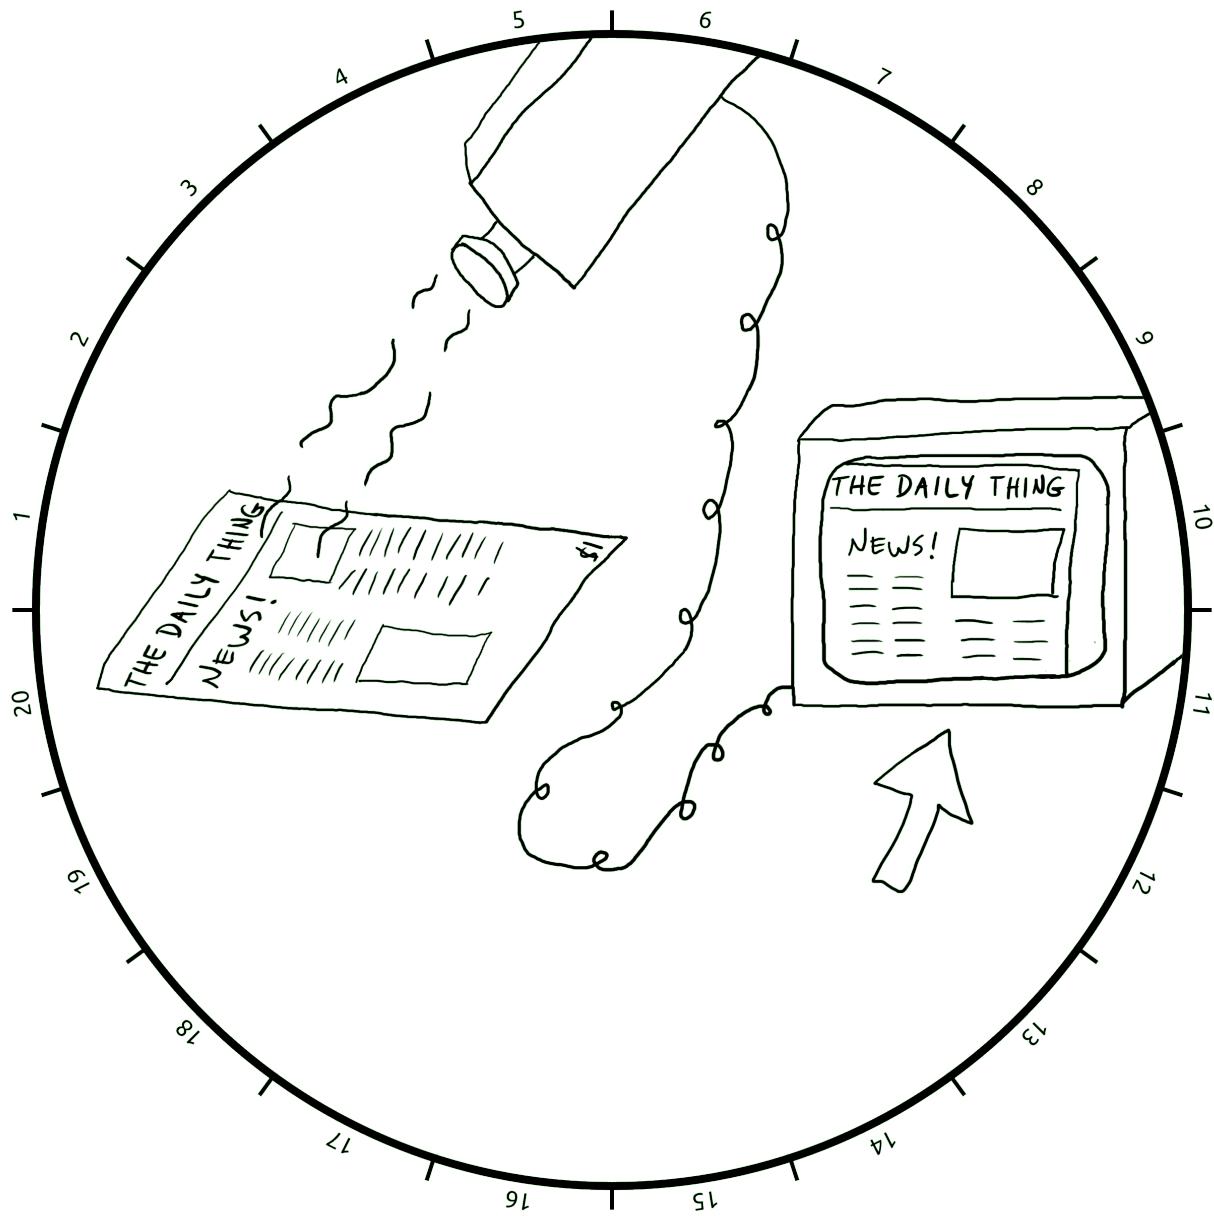

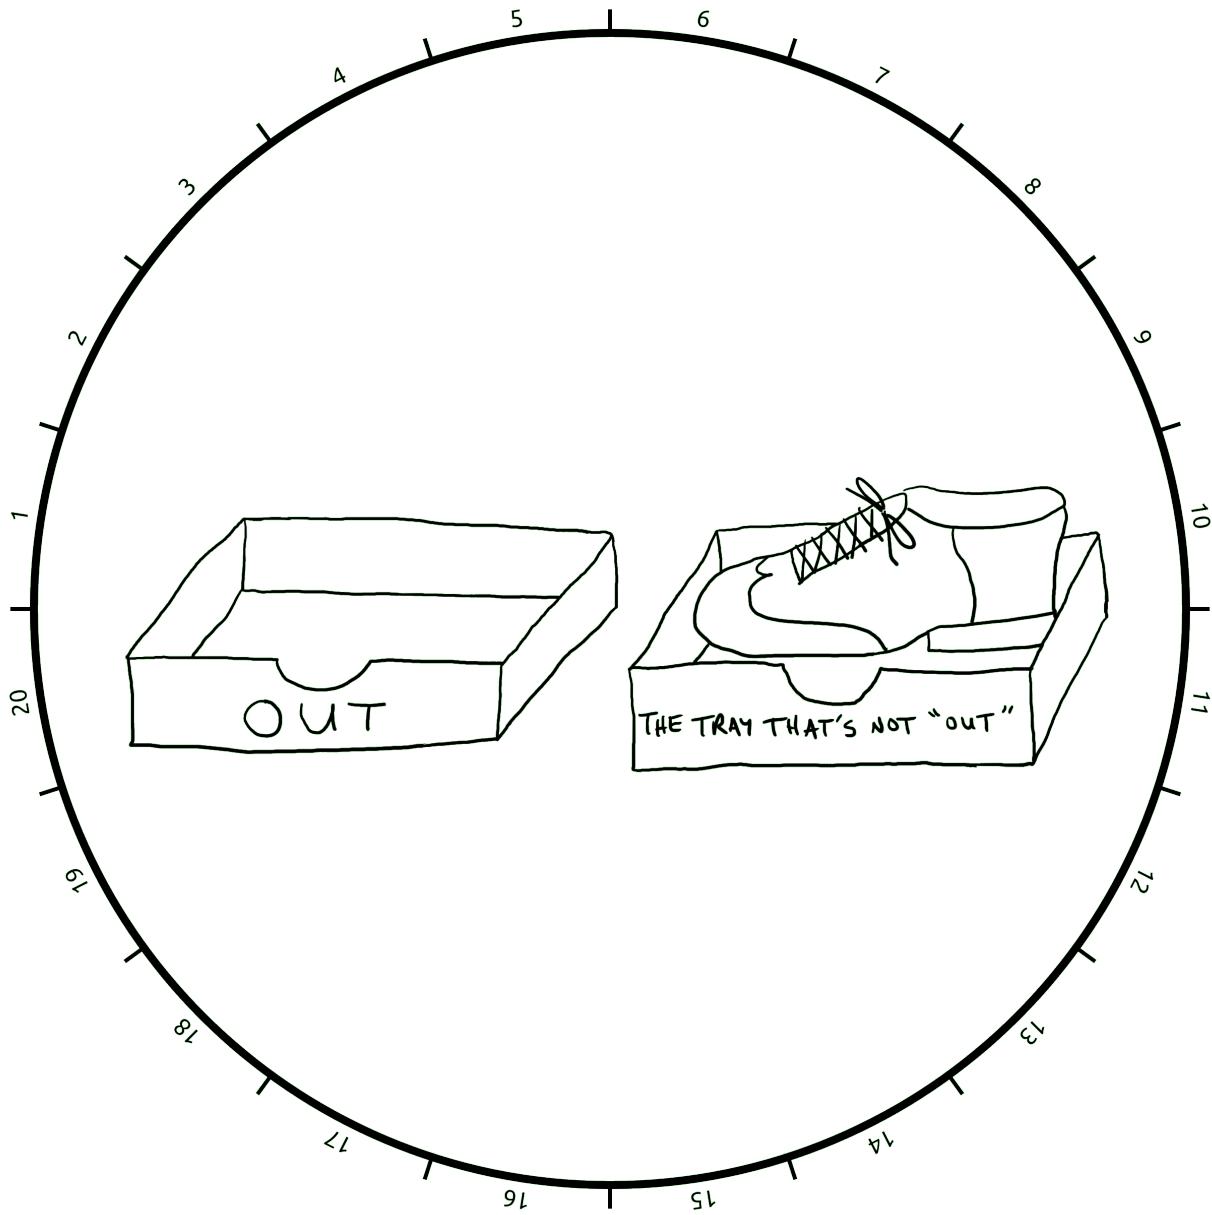

$$3i \times 4i = -12$$

$$7^2 = 49$$

$$\frac{25}{4} = 6\frac{1}{4}$$

$$8 = 8$$

$$\sin 30^\circ = \cos 60^\circ$$

$$\sqrt[3]{64} = 4$$

$$18 + 4 = 319,$$

I swear.
